

ACW – Integrated Management System and Plan

Occupation Health & Safety Policy Statement

A C Whalan & Co Pty. Ltd. is committed to achieving occupational health and safety for all stakeholders through rigorous innovation and constant improvement of its business processes based on ISO 45001 Occupational Health and Safety Management System.

A C Whalan & Co Pty. Ltd. provides services and products for applications including project management, construction, commissioning, steel fabrication, plant and equipment refurbishment and maintenance to the mineral, civil, tunnelling, infrastructure and excavation industries. The commercial success of each project undertaken by A C Whalan & Co Pty. is dependent on effective use of its resources. To satisfy these economic responsibilities and the moral responsibilities of an employer, A C Whalan & Co Pty. is responsible for the occupational health, safety, well-being, and overall effectiveness of its employees.

A C Whalan & Co Pty. Ltd. primary goal is the elimination of hazards and reducing occupational health & safety (OH&S) risks. This will be achieved via continual improvement in occupational health & safety (OH&S) conditions, policies, and operational procedures, which heavily relies on the consultation and participation of all persons within the company.

Company management is fully committed to this occupational health and safety policy through active participation in occupational health and safety improvement activities and leadership by example.

A C Whalan & Co Pty. will adhere to the relevant legislative and regulatory requirements related to occupational health and safety.

Ben Whalan – Director
